

## Performance Data 2022-2023

During the academic year, 2022-2023, statutory assessments returned to primary schools following the COVID related break. Despite the challenges of the last few years the pupil's of St Margaret's have continued to learn and establish firm foundations in preparation for the next stage of their education. Staff, governors, families and pupils are absolutely delighted with our latest set of performance data and shows what is achievable with forensic planning, dedication and a lot of hard work.
